Pizza for \$1.99?

Chimney Rock Inn has been a part of the Central Jersey diet for more than 155 years. In November, we are entering into our 25th year in Bridgewater, 16th year in Gillette, and 2nd year in Flemington! To celebrate the occasion, all three locations will roll back the price on large plain cheese pizzas to \$1.99 all day Monday, October 28, 2019. Limit two pizzas for every four patrons at each table, dine-in only and does not include our gluten free, Whopper, Epic, or specialty pizzas. We love celebrating our anniversary with "buck ninety-nine" pizzas!

To our customers with food allergies:

As we are taking the greatest efforts to provide you with an allergen free meal, please note CRI has many products in our facilities & there is a potential of cross contamination in our shared cooking & preparation areas. Therefore, we cannot absolutely guarantee that the food you receive is completely allergen free. So we can better serve you, please inform your server regarding any food allergy you may have.
